

Figure 1

Objectives explicitly stated as Goals
---------------------------------------

15	"Gross Sales to increase by 50%" "12 >= Employee Count > 5" "Vertical Markets >= Vertical Markets + 1"
----	--

## Business Processes Stated as Rules

16	<p>"Order + In Stock -&gt; Ship to Customer"</p> <p>"Order + Not In Stock -&gt; Produce Per Order"</p>
----	--

**Operational Performance & Responsibility Are Delegated**

Obtain New Customer -> Sales
Respond to Customer Order -> Shipping
North American Sales -> Fred Gregura

## Operation Made Automatic

18	Real world conditions compared to Rules; Actions triggered by matches; Data re: Goals updated
----	---

## Feedback Internalized

19	Objectives & Means (Goals & Rules) monitored; contradiction sparks creation, modification, deletion, or re-delegation of contradictory elements until contradiction is resolved
----	---
